5. beramí berufliche Integration e.V. (Germany);
6. Stiftelsen Litorina Folkhogskola i Karlskrona (Sweden);
7. Aidlearn, Consultoria em Recursos Humanos Lda (Portugal).

Objectives of the project:

1. to create an effectively functioning institutional network for solving the issues of integration and adaptation of migrants;
2. concentrate efforts on providing migrants with the vocational skills they lack as well as on facilitating the recognition of their professional qualifications or individual skills / competences.

Target groups:

1. Foreigners (immigrants);
2. Compatriots (emigrants);
3. War refugees and other asylum seekers in Lithuania.

Intended results:

1. a „developed model“, which will serve as a basis for creating and operationalizing a real network of institutions, bodies and organizations dealing with migrant issues in Lithuania;

2. 100 trained individuals (the staff of institutions dealing with migrant issues in Lithuania);
3. 1 project final conference organized;
4. 5 focus meetings (targeted meetings in Lithuania, Germany, Sweden, Italy and Portugal to develop institutional networks for migrant issues and develop synergies between them) were completed.
